Agenda Item 13

Updated tables showing the provisional 2021/22 outturn following further work on the allocation of Investment Manager fees between reporting lines

Background:

Year-end work by Officers has identified that certain Border to Coast Pensions Partnership Ltd (BCPP) investment management fees were shown against incorrect lines in the tables included on pages 309 and 313 of the papers for today's meeting.

The following pages set out the amended provisional outturn figures following the correction of these allocations.

The changes only impact on the budget and outturn figures for investment management fees (i.e. there are no changes to the budget and outturn figures for either administration or oversight and governance costs).

The changes do, however, impact on the overall outturn figure. This is because an element of the adjustment relates to expenditure being moved from alternatives pooled fund fees (which, as in previous years, are not included in the budget setting process) into BCPP Assets under management costs (which are budgeted for).

Summary impact:

The detailed updated figures are provided on the following pages but, in summary, the provisional outturn for 2021/22 has moved from an underspend of £37 against a budget of £6,467,300 to an overspend of £183,021 (the budget figure is unchanged).

Updated recommendations

In recognition of the updated figures, the Committee is asked to agree the following revised recommendations:

Agenda item 13 (i.e. to replace the recommendations in section 3 on p.298):

It is recommended that Members:

3.1.1. Note that business of the Pension Fund in 2021/22 was completed in accordance with the Business Plan approved in March 2021.

3.1.2. Note that the provisional 2021/22 outturn for Cumbria Pension Fund was an overspend of £0.183m against a budget of £6.467m.

Agenda item 14 (i.e. to replace the recommendation in section 3 on p.312):

3.1. It is recommended that Members note that the provisional outturn against its budget for investment management fees (excluding Alternative – Pooled Fund fees). was an overspend of £0.246m.
